### POETRY.

Our Happiest Days. They tell me, love, that you and I Our happiest days are seeing, While yet is shut from either's eve The change that waits our being ;

Ah! life they say's a weary way, With less of joy than sorrow, For where the sunlight falls to-day There'll be a shade to-morrow.

If ours be the love that will not bear The test of change and sorrow, And only deeper channels wear In passing to each morrow-

Then better were it, that to-day We fervently were praying, That what we have may pass away While we the words were saying.

The heart hath depths of bitterness As well as depths of pleasure, And those who love, love not unless They both of these can measure; There is a time, and it will come,

When this they must discover, And woe if either then be dumb To power that moves the lover! There is some spots where each will fall,

And suffering is the lot of all, And is of God's ordaining; Then wherefore do our hearts unite In bonds that none can sever, If not to bless each changing light,

And each will need sustaining;

And strengthen each endeavor? Then while these happy days we bless, Let us not doubt bestrewing; God's mercy never will be less,

Though he should change the sowing. Such be our faith as on we tread, Each trusting and obeying, As two who by his hand are led, And hear what he is saying.

It will be the aim of the Publisher to conduct "The Valley Pioneer" in a style that will make it acceptable to all classes of readers; to fill its columns with general intelligence, the news of the day, historical anecdotes, tales of real life, poetry, light literature, humor and wit; in fact, to make it strickly a Newspaper.

"The Valley Pioneer" will advocate the commercial interest and internal improvement of the State; the building of the Savannah River Valley and Columbia and Hamburg Rail Roads. It will be independent in politics, not identifying itself with any party, but firmly opposing such measures as are injurous to the prosperity of the State and the country at large.

MEDICAL AND MISCELLANEOUS.

When the R. R. R. Theory was first declared to the world, skeptical persons doubted its correctness, and looked with distrust on the remedies it possessed. Others, however, struck with the originality of its views and conceeding merit to the theory, were induced to try if the remedies bore out in practice what was claimed for them in theory. A third class differing from the others and perhaps more numerous, without consideing for a moment any merit they might be entitled to, tried them, merely as a venture, growing out of a desire for something new. We are satisfied with the result, for the public has received the benefit and R. R. R. Theory has triumphed. Not a day passes that we do not have admission from some hitherto unbeliever that their skepticism was unfounded and convinced by reading our Family Friend, have proved by their own experience, the infallibility of our medicines. Not a day passes that we do not receive grateful testimonials of cures effected by these Medicines. "I was seized with cramps and spasms last night says one, and had it not been for Radaway's Ready Relief I should have died with the pain." Another says, "my wife was slowly sinking with an affection of the Lungs and my neighbor was suffering from Serofula,—I have seen them both restored to health by Radway's Renovating Resolveut. A third say, "Radway's Regulators have cured me of habitual costiveness that was the burder, of my life." Such are the characteristic testimonials we daily recive of the R. R. R. Remedies.

RADWAY'S READY RELIEF, the first of the R. R. R. remedies, is the most quick and safe remedy that has ever yet been discovered for the instant relief of all ACUTE OR CHRONIC PAINS. It is a certain disenfectant and will neutralize the most violent poisons of Malignant Epidemies. If the human system is seized with the virulence of Cholera, Small-Pox, Ship Fever, Pneumonia, or other fatal poisons, Radway's Ready Relief used in connection with Radway's Regulators, will check the violence of the disease, neutralize the infection, and will not only protect the system against sudden death, but will restore the body to health and strength. We make this assertion boldly, and if any Physician or Chemist doubts the great power which we claim for our Ready Relief, over malignant pains, let them examine it and test it, it will bear the test.
